

Electronic Claim Submissions

Providers who wish to submit claims to TexanPlus[®] HMO electronically may do so through Availity, Emdeon, and McKesson. Availity, Emdeon, and McKesson are electronic claims clearinghouses that provide services for healthcare providers.

Filing electronic claims through the clearinghouse reduces administrative costs, expedites claim payments, and improves payment accuracy.

Providers who would like to enroll with Availity, Emdeon, and McKesson should contact the support line.

For questions regarding EDI billing, contact the EDI Services Department at 1-866-496-7826 or by e-mail at: edi@UniversalAmerican.com.

Thank you for accepting TexanPlus members as your patients. We appreciate your continued support.
