

Dear *Provider*:

We are dedicated to maintaining the accuracy of our provider demographic data.

This ensures that members can reach you for services, and that you are accurately reflected in our directories and your claims are processed correctly. On a quarterly basis, you will receive this correspondence as a reminder to provide demographic updates to Today's Options or TexanPlus. Your dedicated provider relations representatives may also ask for confirmation of your demographic information as they visit you periodically, and provider services representatives may request updates as you call into the Provider Call Center. You may also receive phone calls from our staff to verify this information.

To provide updates, you may choose to communicate to us in the following ways:
