

# Coding Guidelines

## Chemotherapy and Radiation Therapy Categories

Edition #1

March 2018

## Welcome

These Coding Guidelines are designed to provide you with a quick-view of Chemotherapy and Radiation Therapy codes and corresponding descriptions and categories (listed by CPT/HCPCS). We encourage you to keep this tool handy, and hope that it will help to save you some time during the course of your workday. If you have any questions about these codes, please contact us as indicated below.

Working together, we can improve health outcomes for your Today's Options patients!
